

## Albert Einstein College of Medicine – Montefiore Health System Leadership

Philip Ozuah MD, PhD, CEO

President and Chief Executive Officer  
Montefiore Medicine  
Montefiore Health System  
Albert Einstein College of Medicine

Jeffrey Weiss MD

Senior Vice President and Chief Medical Officer  
Montefiore Health System

Yaron Tomer MD

The Marilyn and Stanley M. Katz Dean, Albert Einstein College of  
Medicine  
Chief Academic Officer, Montefiore Einstein  
Professor, Department of Medicine (Endocrinology) and  
Microbiology & Immunology

Marla Keller MD

Executive Dean, Albert Einstein College of Medicine  
Professor, Department of Medicine (Infectious Diseases)  
Professor, Department of Obstetrics & Gynecology and Women's  
Health  
Jacob A. and Jeanne E. Barkey Chair in Medicine

## Harold and Muriel Block Institute for Clinical and Translational Research Leadership

Jessica Kahn MD, MPH

Senior Associate Dean for Clinical and Translational Research  
Professor, Department of Pediatrics (Adolescent Medicine)  
Director, Block Institute for Clinical and Translational Research

Mimi Kim ScD

Professor, Dep. of Epidemiology & Population Health (Biostatistics)  
Div. Head, Department of Epidemiology & Population Health,  
Biostatistics  
Director, Data Science Institute  
Director, Quantitative Sciences in Biomedical Research  
Associate Director, Block Institute for Clinical and Translational Research

Stephanie Alfieri, CRA

Executive Director  
Block Institute for Clinical and Translational Research

Elizabeth Castro

Assistant Director  
Block Institute for Clinical and Translational Research

## Harold and Muriel Block Institute for Clinical and Translational Research Core and Program Directors

Matthew Abramowitz MD, MS

Professor, Department of Medicine (Nephrology)  
Director, Clinical Research Resources

Karen Bonuck PhD

Professor, Department of Family and Social Medicine  
Professor, Department of Obstetrics & Gynecology and Women's Health  
Professor, Department of Pediatrics (Developmental Medicine)  
Director, Disability as Diversity: Reducing Research Roadblocks

Sofia de Oliveira PhD

Associate Professor, Department of Developmental & Molecular Biology  
Associate Professor, Department of Medicine (Hepatology)  
Associate Director for Student Support, PhD Concentration in Clinical Investigation (PCI)

Melissa Fazzari PhD, MS

Associate Professor, Department of Epidemiology & Population Health  
(Biostatistics)  
Director, Biostatistics, Epidemiology & Research Design Core

Ariel Fishman PhD, M.Phil

Assistant Professor, Department of Epidemiology & Population Health  
(Biomedical & Bioethics Research Training)  
Senior Director, Institutional Research Assessment and Reporting  
Assistant Dean for Educational Programs and Planning  
Co-Director, Evaluation and Continuous Quality Improvement

Pavel Goriacko PharmD, MPH

Clinical Assistant Professor, Department of Epidemiology & Population Health (Epidemiology)  
Co-Director, Health Research Informatics Core

Damara Gutnick MD

Professor, Department of Epidemiology & Population Health (Health Behavior Research & Implementation Science)  
Professor, Department of Psychiatry and Behavioral Sciences  
Professor, Department of Family and Social Medicine  
Senior Director, Office of Community and Population Health, Montefiore Medical Center  
Associate Director, Community Collaborative Core

Erin Henninger MPH

Co-Director, Health Research Informatics Core

H. Dean Hosgood PhD

Professor, Professor, Dep. of Epidemiology & Population Health (Epidemiology)  
Atran Foundation Chair in Epidemiology & Population Health  
Director, Global Environmental Health, Global Health Center  
Associate Director, Population and Clinical Sciences, CRTP  
Research Director, Medical Student Global Health Program  
Division Head, Division of Epidemiology, Department of Epidemiology & Population Health  
Director, Ph.D. Concentration in Clinical Investigation

David Lounsbury PhD

Associate Professor, Department of Epidemiology & Population Health (Health Behavior Research & Implementation Science)  
Associate Professor, Department of Family and Social Medicine  
Co-Director, Evaluation and Continuous Quality Improvement

Aileen McGinn PhD

Professor, Department of Epidemiology & Population Health (Biomedical & Bioethics Research Training)  
Division Head, Department of Epidemiology & Population Health Division of Biomedical and Bioethics Research Training  
Director, Clinical Research Training Program  
Director, Workforce Development

Sofiya Milman MD, MS

Professor, Department of Medicine (Endocrinology)  
Professor, Department of Genetics  
Interim Vice Chair for Research, Department of Medicine  
Co-Director, Pilot Project Program

Hector Perez MD

Associate Professor, Department of Medicine (General Internal Medicine)  
Director, Community Collaborative Core

Deepa Rastogi MBBS, MS

Professor, Department of Pediatrics (Ped. Respiratory & Sleep Medicine)  
Professor, Department of Pathology  
Professor, Department of Genetics  
Chief, Division of Pediatric Respiratory & Sleep Medicine  
Director, K Mentored Career Development Program

Sharon Rikin MD, MS

Associate Professor, Department of Medicine (General Internal Medicine)  
Associate Dean for Institutional Quality Improvement  
Director, Dissemination and Implementation Science/Learning Health System Collaborative

Sylvia Suadicani PhD

Professor, Department of Urology  
Professor, Department of Molecular Pharmacology  
Co-Director, Pilot Project Program  
Associate Director for Scholar Support, K Mentored Career Development Program

Dana Watnick PhD

Assistant Professor, Department of Pediatrics (Academic General Pediatrics)  
Director, Qualitative and Mixed Methods Core
