HURRICANE Resources

SPECIAL NEEDS

THE VULNERABLE POPULATION REGISTRY

Is for residents who are at risk due to disability, frailty or health issues, regardless of age, who elect to stay at home. The Registry helps emergency responders to plan for recoveries, it is not a guarantee of assistance.

All the information provided will be held in the strictest confidence as required by State law.

NOTE: The Vulnerable Population Registry does not automatically register you for a special needs shelter or evacuation transportation.

YOU CAN REGISTER BY CALLING 311 IN BROWARD OR 954-831-4000 (TTY 954-831-3890)

SPECIAL NEEDS SHELTERS

If you have a medical condition that requires a greater level of care than that provided at a general population shelter, but you do not require hospitalization or a medical institution, a special shelter may be appropriate for you. These shelters offer basic medical assistance and monitoring. They are staffed by qualified medical personnel and have back-up electricity for limited lighting and essential medical equipment. Family members and caregivers are encouraged to accompany you.

HOW TO REGISTER

To request or obtain an application for Special Needs Shelter and/or Paratransit evacuation transportation, call Broward County Human Services at **954-831-3902 (TTY 954-831-3940)**
