

Conversations on **SCIENCE** and *Faith*

College and Post-Graduate Students
Please join us on November 16th

For a discussion on the balance of Science & Faith with Dr. Darrel Falk

Dinner: 7PM in Life Center Room 1

Lecture and discussion: 7:45PM in Fellowship Hall

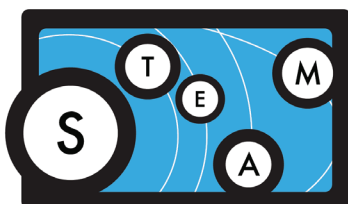

To RSVP or for Questions contact Jennifer at Jennifer.Gotenstein@gmail.com

Dr. Darrel Falk, Professor Emeritus of Biology at Point Loma Nazarene University. He is the founder and current Senior Advisor for Dialogue of Biologos, and will discuss, an evolutionary understanding of God's creation among other topics of faith and biology.

Falk received his B.Sc. (with Honors) from Simon Fraser University, and earned his Ph.D. from the University of Alberta. He did postdoctoral work at The University of British Columbia and the University of California, Irvine before accepting a faculty position at Syracuse University in New York. Darrel's early research focused on *Drosophila* molecular and developmental genetics with funding from the National Institutes of Health and the National Science Foundation. In 1988 he transitioned into Christian higher education in the biology department at Point Loma Nazarene University in San Diego, where he is now Emeritus Professor of Biology. He is a member of the American Association for the Advancement of Science, the Genetics Society of America, and the American Scientific Affiliation.
