

March 6th Anthem Lyrics

Refuge Fettke

God is our refuge and strength through endless days,
and when the whole earth trembles our hearts are not afraid.

When mountains fall into the sea, foaming waters roar,
our God, the Lord, walks by our side, His hands holding ours forevermore.

Nations are raging, false kingdoms raise a sword.
But when God's voice thunders,
they melt before his word.
In every corner of the earth He causes wars to cease.
He breaks the bow,
He rends the spear,
His hands reaching down to bring us peace.

Be still and know God, praise and glory now proclaim.
All tribes and all nations now magnify His name.
Let's all rejoice and honor Him until the final day when we shall live eternally,
our hands lifted high and grateful praise.

Amen! Amen! Amen!
