

## New to Uke with Tina

Classical Guitar and Ukulele specialist Tina Hebner will be offering Beginner and New to Uke lessons at the Festival. Tina has a passion for music, and enjoys sharing that with others. She taught guitar for 20 years before the ukulele began to tug upon her heartstrings; she discovered that four strings are just as wonderful as six! As the beginning ukulele instructor, Tina will discuss the basics of ukulele playing: how to hold and strum the instrument, some simple chords and strum patterns, and some easy songs that use just a few chords. Her classes are sure to be entertaining and fun even as you learn the basics of this amazing instrument. Look forward to a great start to your musical journey with your Ukulele, with Tina as your guide!!
