

2017 - Workshop Offerings by Manitoba Hal

1. Beginning Blues for Ukulele - Beginner

Players only need to know C, F & G7 chords and have a basic ability with strumming and changing chords.

2. Spice Up Your Blues Progressions - Intermediate

Participants must be intermediate players or have taken the Beginning Blues workshop already.

3. Slide Tricks and Tips - Advanced

This workshop is intermediate and requires a solid basic understanding of the instrument, a slide and works best on a ukulele utilizing a low G tuning or a baritone scale. **Attendees will need to bring a slide with them** to the workshop.
