Dear Friends of Pope St. John XXIII STEM Academy,

For over a century, Pope St. John XXIII STEM Academy has been more than a Catholic school; it has been a promise to the South Tacoma community. It is a promise to foster ambition in every child, regardless of background, and to build a brighter future for us all. Your compassion has made that promise a reality for generations of students.

We are humbly reaching out because our commitment to serving all families, including the nearly 75% who receive tuition assistance, is a community effort. Your support makes it possible to provide our exceptional curriculum, grounded in faith, STEM excellence, and a passion for the arts and athletics.

On April 10, 2027, we invite you to join us for our annual *"PROM!"* dinner and auction to become a true champion for our students. Your gift creates a ripple effect, directly closing the opportunity gap for our students and breathing new life into the entire South Tacoma community. Reaching our $140,000 goal is only possible with compassionate friends like you who believe in the power of a child's potential.

Here's how you can make a powerful impact:

- **Become a Partner Sponsor:** Invest in our students by sponsoring the auction directly. Various levels come with great benefits, including brand promotion and gala seating.
- **Contribute an Auction Item:** Donate an item, service, or unique experience to be featured in our auction.

All financial support is 100% tax-deductible (tax-ID number 91-1743368). We are excited to accept your donation through March 20, 2027, please just complete and return the enclosed form to:

Pope St. John XXIII STEM Academy
Attn: Auction Chair
3306 S 58th St
Tacoma, WA 98409

Thank you for helping us change lives and build a more vibrant community. Together, we can make incredible things happen.

Peace,

Laura Price
