

# Head of School Letter

Dear SCCS Families,

I am praying that our entire SCCS community is well. We are over half way through the first marking period and well on our way to our upcoming fall break. I wanted to touch base on a few important items related to our school.

First, I want to remind everyone that Wednesday, September 19 is our Parent/Teacher Conferences. We are asking that if your child has a “C” or below in any subject matter that you pursue meeting with your child’s teacher on that day. Conference times are from 12:30 to 5:00 for the Logic/Rhetoric School and 1:00 to 5:00 for Grammar School.

Tuesday, September 25 is our annual Taste of Southern Pines event. This is a great evening fundraiser for the school, and I encourage you to get the word out to your friends to get their tickets soon. The evening will entail strolling through beautiful downtown Southern Pines, sampling tasty foods from restaurants, and shopping at the quaint boutiques. You can get more information from the flyer printed in this week’s newsletter or by calling the school office.

Next, I wanted to make you aware of our Annual Fund Campaign that kicks off this month. We are hoping this will help the school in many ways. Those donating towards the annual fund can designate where their gift goes. All gifts are tax deductible.

Finally, I wanted to ask for your help. SCCS has signature brochures about our school that we would like to get into the community. We are particularly hoping to get these brochures in all the churches represented at our school. Our SCCS families attend about 45 different churches. If you would be willing to talk to the minister at your church to see if a few brochures can be placed in the church’s commons area for people that are interested to take, that would be very helpful. Please contact me if you can help in this manner.

We are honored to partner with each of you in educating your students from a Biblical worldview. Again, I pray for each SCCS family regularly. May God bless each school family and may He continue to bless SCCS.

Todd Zimmerman
