

Interim Head of School and Rhetoric School Letter

It is re-enrollment time! Enrollment just opened this past week. SCCS gives opportunity for our current families to enroll first before we look at new families. I encourage you to take advantage of this opportunity and enroll quickly.

For those of you who would have students looking at enrolling in our Rhetoric School, but are unsure our Rhetoric School would be a good fit, I would encourage you to come out to our Rhetoric Informational Meeting scheduled for Tuesday, January 30. This meeting will give you the highlights and benefits of what we offer and I believe will help you in your decision-making process.

The meeting is not just for current families. New families who may have a Rhetoric aged student for next school year should attend as well. We had this meeting scheduled for this past week, but we had to cancel it due to the snowy weather. The rescheduled date of January 30 will hopefully be a good date for you to attend. If not, please do not hesitate to call the St. Anthony's campus to set up an appointment to meet with me individually so that I may have the chance to share about the great education our Rhetoric School offers.

The time of the Rhetoric School Informational Meeting on January 30 will be at 6:30 PM. We will meet in our Solomon Room, and it will be a great time to get answers you may have regarding your upcoming high school student and our Rhetoric School program. So, mark your calendars and I hope to see you there.
