

SUMMER CLIPPING TIPS

1. Please continue to clip and save Box Tops this summer.

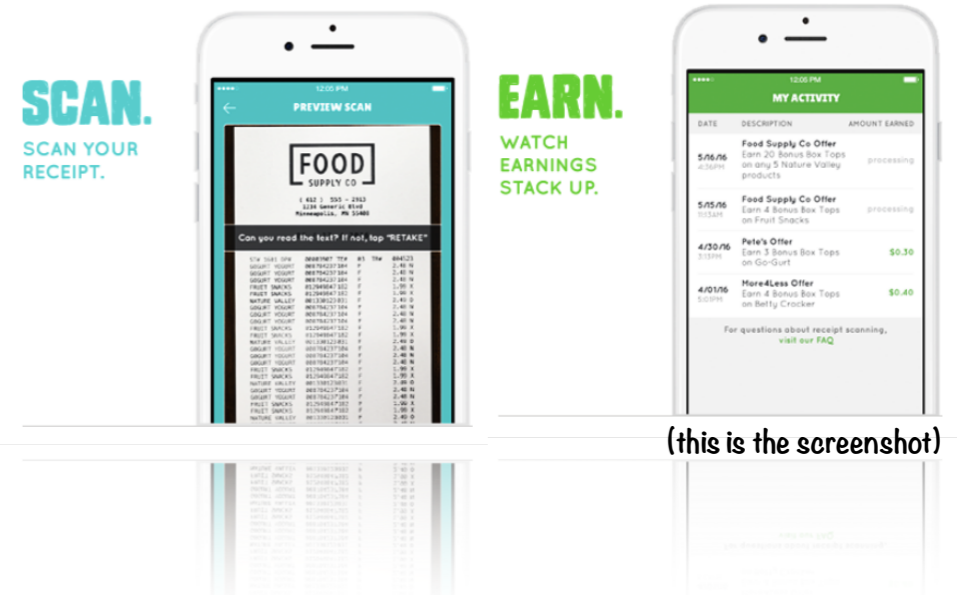

2. In June, download the Box Top app and start scanning your receipts. Email a screenshot of your earnings from the Box Top app to:

SCCSBoxTops@gmail.com

Alternatively you can print your screenshot and drop it off at school. Please include your child's & teacher's name on all correspondence.

3. If you do not use a smartphone or tablet or do not wish to download the app, no problem! Please save your receipts for us - from any store (Walmart, Harris Teeter, Food Lion, Staples, etc). When we start school next fall, turn in your receipts with your child's & teacher's name on the receipt or bag and we will scan them for you and your child will still get credit for the Box Tops!

(this is the screenshot)

4. If your product has a physical Box Top, still clip it AND scan the receipt (or save it for us) because many brands are allowing us to 'double dip'. Please note, a few brands will return a message in the app that the brand is a 'clip only' brand.

Starting next school year, once a quarter, the BT coordinators will tally screenshots, receipts and actual Box Tops to determine incentives for students and classrooms.
