

What is TRIP?

Tuition Reduction Incentive Program (TRIP) is a voluntary program of the SCCS Parent Association in which you can reduce your student's tuition at SCCS while purchasing items you buy anyway. TRIP purchases bulk quantities of discounted gift certificates from the [Great Lakes Scrip Center](#). Families enrolled in the program purchase the cards or printable certificates at face value with a discount being passed on to family accounts in the form of a tuition credit.

What kind of gift certificates are these? They are simply e-cards or physical gift cards that you can spend on any purchase made locally, by phone, or online. Grocery and gas gift cards can also be purchased and used each week as you do your regular family shopping. You will find clothing, gas, groceries, home improvement, restaurants, pharmacies, hotels and many other retailers willing to share a portion of their profits with you!

How does this reduce my tuition? The Parent Association tracks the amount earned by each family over the school year. 80% of the amount earned by each family will be applied to their first SCCS tuition statement of the next school year. The PA will retain 20% for costs of the program and fundraising. Families can realistically earn hundreds off of their tuition every year just by using gift cards for everyday purchases.

Who can sign up for TRIP? Any family who is currently enrolled in SCCS, grandparents, extended family, and friends can enroll in TRIP. Each family must fill out an Enrollment Form and include it with the annual \$12 registration fee with their first order. This must be renewed each school year.

How do I get started?

1. Enrollment forms and order instructions can be viewed and downloaded from RenWeb under Resource documents.
2. Sign up for an online account and PrestoPay payment service at www.shopwithscrip.com. Place your online orders as needed. Physical card orders are placed once per month and are due by the second Thursday of the month.
3. Your order will be available to print immediately or physical cards will be delivered according to your instructions on the enrollment form by the end of the third week of the month.
