

## Head of School and Rhetoric School Letter

Have you seen the new building at our Whispering Pines Campus? Check out the updated photos in this week's newsletter. It is exciting to see the erection of the building and how it is forming into our new Grammar School building. God is so good!

On Friday, April 27, I want to invite our entire school family to come see the new building in person. We are calling it "Bless Our School Day!" From 5:00 PM to 6:30 PM on that day you can come to the new building and walk through it and pray for our school's future. I will be there to hand out permanent markers that you can use to write a prayer on the beams or on the interior walls or on the floor. You will be able to jot down Bible verse and even sign your name. Sidewalk chalk will be available for students to write their names on the floor or a message of thanks to God for His faithfulness to us as a school.

The new location is at 1487 Rays Bridge Road, Whispering Pines, NC. This is just off of Highway 22.

We hope you can stop by that evening. It will be an "open house" type of format where you can come and go during the designated time. There will be no formal ceremony, just an opportunity to talk to God in your own way and write a message of gratitude to Him for all His provision for this first phase of our building project on our new property. It will be a great opportunity to pray a blessing over this school.

God deserves to be thanked for His kindness to us. May He be glorified by His people for His provision to Sandhills Classical Christian School as we seek to graduate citizens of excellence who observe, think, and articulate with humility, reason and clarity for the glory of God.

Hope to see you on the evening of April 27!
