

SCCS PA General Meeting Friday, April 5, 2019

Whispering Pines Campus 8:30 a.m.

The meeting was called to order at 8:31 a.m. with Mr. Zimmerman opening in prayer.

Beginner's Day will take place on Thursday May 2, from 1:00-2:45. The two kindergarten classes will be hosting some rising kindergarteners and their parents for a day in the life of an SCCS kindergartener. We will be inviting all enrolled kindergarteners as well as kindergarten eligible SCCS preschoolers. This will be a fun event that gives the preschool children a look at the grammar school and an idea of what a typical day is like before they begin the school year. This is a school sponsored event supported by the PA. The PA would like to provide three to four volunteers to help with this event. Please contact Elizabeth Stamas (elizabethstamas@gmail.com) if you'd like to help.

Staff Appreciation Week will be April 8-12. The PA has purchased gifts for staff members that will be handed out that week. The PA reps for each class will need to coordinate with their classes, so their teacher gets something each day. Examples include pictures, cards or, small gifts. The teacher favorite lists are on renweb under resource documents. Please note: 5th graders, Mrs. Cochran, and Mrs. Zingleman will be gone Wednesday through Friday. –

Box Tops- The box top coordinators will meet after the PA meeting to do some clipping. May 10 is the last collection day for box tops. The winner will be able to use their non-uniform pass before the end of school. Ziploc has agreed to replace \$10 worth of new ziploc box tops that expired on 11/1/18.

Easter Candy Grams will be on sale April 1-12. They are \$1 each. Extra order sheets are at the front office of each campus. Candy grams will be delivered on April 17. There will be an email announcement as well. These are replacing the Valentine's Day candy grams. We did not send candy grams in February.

PA Reps- Thank you to all who have been PA reps this year. The PA is moving away from having PA coordinated reps for next year. Rather, next year, there will be class parents that the teacher will choose. Class parents will coordinate with their teacher on parties, classroom needs, etc.

T-shirts are all \$5 off and on sale through April 23. These are left over from the order placed at beginning of the year. They will be sold on a first come- first serve basis.

We will not be using Class Bundle next year for school supplies. We will be working with a new company. Angela Philgren will send out details. Question - Can we have the list available before the summer? Yes. It will be available before the end of the year.

The last book fair of the year will be soon. This book fair will give a 20% discount on purchases. At the first book fair, the school was given a credit based on the number of books purchased, so the teachers could buy books for their classes. The summer reading list will be available by then, and books will be available to purchase. Stay tuned for dates.

Questions/Comments: The teachers and staff expressed their gratitude for the staff and teacher luncheon. Moore County is currently considering some redistricting that will draw new boundaries for

public schools beginning with the 2020-2021 school year. Some parents will be looking for new school options this fall. We should be prepared to share with those parents why we believe in our school. A parent commented on parking lot driving: some are driving too fast. We need to be careful about driving safely. Let's all be sure to obey the traffic rules posted in the parking lot.

The meeting was adjourned at 9:02 a.m.
