## Session Description:

***Intended Audience: District Level Teams***

This training is designed to support district, and in some instances, school building leadership teams, in creating the conditions for optimizing social-emotional learning through application of the NDMTSS Essential Components and continuous improvement. Investigation of the four approaches to SEL, evidence-based programs and practices supporting SEL, and translating current educational research to practice in an attempt to impact outcomes for all students is the focus. This training is most effective when paired with ND SEL Network membership.

### **Leadership Teams will:**

1. **Define** Social-Emotional Learning (SEL);
2. **Understand** the four approaches to SEL;
3. **Apply** the NDMTSS Essential Components as they relate to systemic SEL;
4. **Identify** evidenced-based programs and practices;
5. **Initiate** the development of comprehensive, systems-level planning and coordination of SEL.

**COST:** \$1500/Team
