This September, we will be joining Life Science Cares in their industry wide Book Drive to support More Than Words!

Life Science Cares is a collective industry effort to fight poverty in Greater Boston. Working with hundreds of life science companies and their employees, LSC connects the industry's time, talent and treasure to community partners making an impact on poverty. To date, Life Science Cares has granted \$1,000,000, collected \$250,000 in goods, and organized 8,000 volunteer hours for their nonprofit partners.

All of the donations from this book drive will go to More Than Words, a nonprofit social enterprise that empowers youth who are in the foster care system, court involved, homeless, or out of school to take charge of their lives by taking charge of a business.

We are so excited to be a part of Life Science Cares collective impact, and have set a goal of collecting _____ for their September Book Drive! Please see details below if you would like to help out!
