Like many hymns that adults have come to cherish, this text based on Jesus' calling of the disciple Andrew was written for a 19th-century collection of hymns for children. The popular tune used here was composed for these words more than a quarter of a century later.

This text formed a very small part of an elaborate Christian missionary pageant in the early 20th century, yet it has endured while the grander aspects of that production have faded away. It is set to a simple 19th-century tune that does not get in the way of its message.
