

Kathy Mitchell

Chinle Planting Hope (CPH) Team Member & Bookmobile Director

Ya'at'eeh. I am humbled and honored to be part of Chinle Planting Hope, a grassroots non-profit that inspires community solutions and action. As a lifelong resident of Chinle, I have been in the teaching profession for 20+ years, and my love for teaching has been enhanced by students who inspire me every day. I have three grown children and enjoy hiking, traveling, reading and spending time with my family, and I am grateful for my faith in God's love for where I am today.

**Kathy will be at RRPC on June 29th to preach
and after worship give a presentation on
Chinle Planting Hope!**
