

HCC has recently had the opportunity to help support a “Lock-In” at Archbishop Walsh Academy. As part of the International Baccalaureate Program, two high school students planned an all-night lock-in event beginning on the evening of Friday, March 15th. The primary focus of the event was to have a safe, fun, substance free evening for youth at their school. HCC was invited in to answer any questions students may have regarding substance use prevention while also providing some giveaway items. One student won (2) AMC movie passes for correctly answering the most questions from a National Institute of Drug Abuse IQ Challenge quiz.

Thank you for inviting us to be a part of the event and we hope your night was a success!
