Guidelines Committee Volunteer Application Form

Hypertension Canada is looking for volunteers who are interested in joining our Guidelines Committee and contributing to our 2025 Guidelines. In order to apply, first you must be a Hypertension Canada member in good standing. If you are a member, then we ask that you fill out the information below, which includes a personal statement that highlights your professional experience, interest in the guidelines, and vision for the future of our guidelines. Please note that those on the Guidelines Committee are expected to fully participate in the guidelines development process while the next set of guidelines are being created.

About the Guidelines Committee

The Guidelines Committee is a Hypertension Canada Committee established to build the Hypertension Canada Guidelines quality for increased professional uptake and encourage and enhance innovation in Hypertension Canada's clinical practice guidelines process.
