Honorable J.B. Pritzker
Governor
100 W. Randolph Street
Chicago, IL 60601

Dear Governor Pritzker,

As mayors representing over 700,000 residents and 20,000 businesses within the Chicago Southland, we want to thank you for signing into law the bipartisan South Suburban Airport bill (HB 2531). We are thrilled that Public Act 103-0317 puts our Southland region on the path to rebuilding our economy in the foreseeable future. After nearly 30 years of delay, with your signature and directive for IDOT to issue an open call to interested parties that are experienced private sector developers able to develop, construct, and manage the South Suburban Airport, we now have a solid opportunity to leverage our expansive transportation network and assets for the betterment of the region.

With this important legislation now signed, we're confident that the private sector will respond to the State's call early next year and prove they are willing to finance and build a smart, green airport in the South Suburban region that expands Illinois' aviation capacity and brings sorely needed jobs to our diverse, hard-working region.

We look forward to working with you to bring to fruition this necessary investment. Our State and region can and should plan for—and advance—a carbon neutral, environmentally sustainable “green” state of the art South Suburban Airport. We commit to working together with you to this end so we achieve transformational inclusive economic growth in the South Suburbs.

Thank you again for taking prompt action and signing into law Public Act 103-0317.

Sincerely,

SSMMA President Ron Gardiner
