St. Mark's Episcopal Church: A Community of Grace

We spread God's word, love like Jesus, enjoy worshipping together, and help our neighbors.

Celebrating Blane Abernathy's Music Ministry at St Mark's, Checks due by June 19

In honor of Blane's Music Ministry here at St Mark's, we would like to present a parish gift to him. If you are interested in donating towards that gift, please make a check payable to St. Mark's Episcopal Church and please add Blane's name in the memo line. Please send by June 19.

Because We Love Our Neighbor: Health & Community Protocols for Worship

Presiding Bishop Michael Curry (on health and community measures) "We are committed to gathering in the safest and healthiest way possible. Love of neighbor is not simply a good idea. It is a commandment of Jesus based on the teaching of Moses to always seek the good and the well-being of each other."

Because St. Mark's cares for the young, the elderly, and the immuno-compromised... because vaccinations are essential to creating a safer/healthier workplace and worship space... because our health and strength are intertwined with one another... and because health is not an individual endeavor... All those 12 years and up show proof of vaccination, and those ages 2 years and up wear masks for in-the-building services. Masks may be removed by readers at the pulpit, altar, or presider chairs (when reading but not singing). We make available disposable masks for any who need them. We are respectful of those around us and adjust for healthy spaces between households. Direct physical contact with young children is avoided; elbow bumps are fine, but no hugs or handshakes. Please consider getting a booster and social distancing. State and health officials allow churches to determine their own mask/vaccination policies. Thank you for your continued support.
