## **St. Mark's Episcopal Church: A Community of Grace**

We spread God's word, love like Jesus, enjoy worshipping together, and help our neighbors.

### Because We Love Our Neighbor: Health & Community Protocols for Worship

Presiding Bishop Michael Curry (on health and community measures) "We are committed to gathering in the safest and healthiest way possible. Love of neighbor is not simply a good idea. It is a commandment of Jesus based on the teaching of Moses to always seek the good and the well-being of each other."

Because St. Mark's cares for the young, the elderly, and the immuno-compromised... because vaccinations are essential to creating a safer/healthier workplace and worship space... because our health and strength are intertwined with one another... and because health is not an individual endeavor... All those 12 years and up show proof of vaccination, and those ages 2 years and up wear masks for in-the-building services. Masks may be removed by readers at the pulpit, altar, or presider chairs (when reading but not singing). We make available disposable masks for any who need them. We are respectful of those around us and adjust for healthy spaces between households. Direct physical contact with young children is avoided; elbow bumps are fine, but no hugs or handshakes. Please consider getting a booster and social distancing. State and health officials allow churches to determine their own mask/vaccination policies. Thank you for your continued support.

## **WORSHIP**

### **Monthly Healing Ministry to resume June 12**

The monthly healing ministry offered by the Sancta Sophia Daughters of the King will resume at the 10:00 AM service on Sunday, June 12, and continue on the second Sunday of each month. Weather permitting, Daughters will offer healing prayer in the Memorial Garden for any congregant with a request. Once Eucharist has been received, those wishing to receive healing prayer may enter the Memorial Garden through either the north or south exit doors from the west side of the church, returning to the sanctuary through those same doors once prayer is received. In the event of inclement weather, the ministry will take place in the rector's office, which is accessible from the Garden.

### **Health & Community Protocols for Worship & Coffee Hour**

Please note that the proposed changes for the Sunday Worship beginning at Pentecost are under review. Please continue to wash hands. Physical distancing is encouraged. Outside seating will always be an option. And congregational singing will be limited. Proof of vaccination and masking are still required. To quote Presiding Bishop Michael Curry commenting on mitigation procedures for General Convention which include proof of vaccination and masking: **"We are committed to gathering in the safest and healthiest way possible. Love of neighbor is not simply a good idea. It is a commandment of Jesus based on the teaching of Moses to always seek the good and the well-being of each other."**

### **Pentecost Day, June 5**

Pentecost is the great festival that marks the birth of the Christian church by the power of the Holy Spirit. Pentecost means "fiftieth day" and is celebrated fifty days after Easter. Red is the color for this day and recalls the tongues of flame in which the Holy Spirit descended on the disciples. In the early church Pentecost was a time to baptize converts to the faith. The newly baptized would wear white robes on that day, so Pentecost was often called "Whitsunday" or "White Sunday." We will include the dove in our processions, renew our baptismal vows, and hear the prayers and readings in another language. Please sign up in the narthex to read for the service. All are invited to wear red.

### **Offertory Plates**

For your convenience, the offertory plates are located by the baptismal font as you enter and also by the front pews as you approach the altar for communion.

## **COMMUNITY & FELLOWSHIP NEWS**

### **Box Donations**

Packing/storage boxes needed to pack up St Mark's Preschool. They can be dropped off at the school or at the Parish Office.

### **The 40 Anniversary of the Ordination of Rev. Clark, May 29**

St. Mark's celebrates the 40-year anniversary of the Rev. C. Robbins "Robbin" Clark, the first chaplain to the school and preschool and Curate for three years. She went on to serve as Rector of St. Bede's, Santa Fe, NM and as Rector of St. Mark's, Berkeley. Most recently she served at the Cathedral in Gloucester, England for five years working with ordained women's ministries. The Rev. Canon Melissa McCarthy, Canon to the Ordinary of the Diocese, will be the special guest preacher. Please join us on Sunday, May 29 at the 10 AM service to celebrate 40 years of ordained ministry.

### **The Rev. C. Robbins "Robbin" Clark**

The Rev. C. Robbins "Robbin" Clark attended seminary in England before they admitted women. She has always used her middle name, Robbin (actually shortened from Robbins) instead of her first name, Caroline. When she applied to the British seminary (Cuddeston College, Oxford) she used Robbins and that sounded like a guy to them, so they accepted her. When she showed up they were a little taken aback but seem to have accepted the inevitable, probably some with more grace than others!

Same thing happened in Santa Fe. The bishop a couple of bishops ago was violently anti-women. This would have been the mid-late 80s, as I recall. Clergy Deployment Office profiles didn't even have gender on them, so Robbins passed notice. Again, when Robbin showed up, it was a little too late for him to do anything about it!

## **FINANCE & STEWARDSHIP**

### **Building Fund Update: Donating for an Actual Rainy Day**

We are planning a burn-the-mortgage celebration when our building loan becomes due, thanks in large part to a generous, anonymous donation. The Building Fund will continue in order to pay for facility needs. We literally need rainy day funds! We have experienced new leaks with each shower, however small. These are mainly flat-roof sections where the roofing has worn out. Please consider donating to the Building Fund as well as to our regular church coffers for this and other projects. You'll be glad when it will no longer rain on our parade...or the acoustical ceiling tiles. Thank you!

### **Breeze for Contributions**

With our new church software come some changes in our contribution recording. If you are splitting your donation between funds, please state that in the memo line of your check or note it in the memo in PayPal. All unmarked funds will be placed in the Operating Fund Account.
