Gathering in the Jonathan Daniels conference space, laying out the project for table discussions, dreaming, planning, and building a community of practice together.

Remarks given by:
Mary Nichols, St. James-in-the-City, Los Angeles,
former chair of the CA Air Resources Board
Supervisor Lindsey Horvath, Los A ngeles County 3rd District

Kate Varley Alonzo, St. Martin's-in-the-Field, Winnetka, Co-Coordinator of *OCCN*
Steve Slaten, All Saints, Riverside, Co-Coordinator of *OCCN*
Commission Co-Chairs, The Rev. Payton Hoegh, and The Rev. Daniel Tamm

"All churches, green teams, building & grounds committees, and parishioners who want to live into the resolution passed by the 80th General Convention in 2022 on carbon neutrality for The Episcopal Church, or who are feeling pulled toward care of creation, environmental stewardship, and love of God's precious Earth are encouraged to attend. Imagine how powerful it will be to be able to join in community and journey toward carbon neutrality together." Kate Varley Alonso
