

# SAINT MARK'S EPISCOPAL PRESCHOOL

## JANUARY NEWS 2022

### Our Learning Themes

Week 1 Jan 3 – 7 Welcome 2022

Week 2 Jan 10 – 14 Build a Snowman

Week 3 Jan 17 – 21 I Have a Dream

Week 4 Jan 24 – 28 Hibernation

This month we will focus on winter themes and take the children on a journey across a wonderland of snow, ice, hibernating animals and more.

It is always fun to learn about animals, but even more interesting to find out what they do during the cold winter months. We will be doing various classroom activities to allow the children to explore and to understand hibernation: Why do some animals sleep in caves during winter.

### IF YOUR CHILD IS ILL

Children with the following symptoms must stay home: cough, wheezing, sneezing, fever, runny nose, watery eyes, sore throat, aching joints. Children who have had episode of vomiting or diarrhea must stay home for 24 hours after the last episode in order to reduce the possibility of contagion but more importantly so that the child who has been ill can come to school with a completely restored fluid balance after appropriate nourishment.

We would like to welcome back all of our old friends along with all of our new friends. We hope that everyone had a wonderful and relaxing Christmas/Holiday. We have a variety of fantastic projects and activities prepare for the remainder of the school year and look forward to an exciting semester!

HAPPY NEW YEAR!!

Dear Parents,

Thank you from the bottom of our hearts for showering us with all the love and gifts for Christmas!

Love,

Ms. Jackie

Interim Preschool Director

& the Staff

Friendly Reminder: Please label your child's belongings and bring an extra mask!
