## **St. Mark's Episcopal Church: A Community of Grace**

Because St. Mark's cares for the young, elderly, and immuno-compromised, because vaccinations are essential to creating a safer/healthier workplace and worship space, because our health and strength are intertwined with one another, and because health is not an individual endeavor, we show proof of vaccination and wear masks for in-the-building services. Masks may be taken off at the pulpit, altar, or presider chairs when reading (not singing). State and health officials allow churches to determine their own mask/vaccination policies. Thank you for your continued support.

*Then Jesus went with them to a place called Gethsemane; and he said to his disciples, 'Sit here while I go over there and pray.' He took with him Peter and the two sons of Zebedee, and began to be grieved and agitated. Then he said to them, 'I am deeply grieved, even to death; remain here, and stay awake with me. (Matthew 26:36-38)*

On **Thursday, April 14**, we keep vigil with Jesus throughout the night at the altar of repose in the chapel. It is a time for personal devotion and prayer. Sign up for a one-hour shift (or more) as an individual, a couple, or as a family. Shifts overlap and there should always be at least two persons present in the chapel. There will always be two men of the parish about the grounds to insure the safety of the participants. Those participating in the Vigil will receive a text or email reminder on Tuesday, April 12, listing the time chosen and the name and contact information of the person they are relieving and the person relieving them. Vigil participants are asked to park in the front of the church, to enter through the north doors and proceed directly to the chapel. For additional information, speak to Karin Brown or email her at [prayer@stmarks-upland.org](mailto:prayer@stmarks-upland.org)

### **Building Loan Update**

As reported to the congregation at the January 30 annual meeting, the Vestry has been considering whether to pay off or attempt to refinance the approximately \$325,000 that will be due when our building loan expires this May. The 2012 loan was originally \$930,000 for school and church improvements and was refinanced in 2017.

The Vestry, at its February 27 meeting, unanimously approved paying off the loan. A generous anonymous donation allowed us to pay down the principal enough to be able to consider this action; we will eliminate \$85,000 per year in loan payments. We are planning a "burn the mortgage" celebration this spring after we have made arrangements for the final payment. We appreciate everyone who has donated and continues to donate to the building fund so that we can meet our facility needs. --Finance Committee

## **HEALTH AND COMMUNITY PROTOCOLS FOR WORSHIP**

Unvaccinated individuals ages 12 years and older participate online and all ages 2 years and up wear a mask. Please consider getting a booster and social distancing. We will be singing less but still having music, be meeting outside for hospitality/coffee hour but still having fellowship and refreshments and be avoiding large in-person sit-down meals but still be church and community for one another and the world.

Masks: Worn by those 2 years and up. We have disposable (surgical/medical/paper) face masks for your use.

Social distancing: We are respectful of those around us and adjust for healthy spaces between households. Direct physical contact with young children is avoided; elbow bumps are fine, but no hugs or handshakes.

Exchanging "The Peace": Everyone's space and sensitivities are respected. When someone offers their elbow, fist, or a peace sign, we respond appropriately.

Restrooms: If it can wait, only one person/household uses the restroom at a time.

Hospitality: To reduce multiple handling of shared objects such as the coffee urn, hot water dispenser, and serving utensils, we let the hospitality host serve us. We are outside for safety.
