St. Mark's Episcopal Church: A Community of Grace

We spread God's word, love like Jesus, enjoy worshipping together, and help our neighbors.

Health & Community Protocols for Worship

Because St. Mark's cares for the young, the elderly, and the immuno-compromised... because vaccinations are essential to creating a safer/healthier workplace and worship space... because our health and strength are intertwined with one another... and because health is not an individual endeavor... All those 12 years and up show proof of vaccination, and those ages 2 years and up wear masks for in-the-building services. Masks may be removed by readers at the pulpit, altar, or presider chairs (when reading but not singing). We make available disposable masks for any who need them. We are respectful of those around us and adjust for healthy spaces between households. Direct physical contact with young children is avoided; elbow bumps are fine, but no hugs or handshakes. Please consider getting a booster and social distancing. State and health officials allow churches to determine their own mask/vaccination policies. Thank you for your continued support.

Pentecost Day, June 5

Pentecost is the great festival that marks the birth of the Christian church by the power of the Holy Spirit. Pentecost means "fiftieth day" and is celebrated fifty days after Easter.

Red is the color for this day and recalls the tongues of flame in which the Holy Spirit descended on the disciples. In the early church Pentecost was a time to baptize converts to the faith. The newly baptized would wear white robes on that day, so Pentecost was often called "Whitsunday" or "White Sunday." We will include the dove in our processions, renew our baptismal vows, and hear the prayers and readings in another language. Please sign up in the narthex to read for the service. All are invited to wear red.

FINANCE & STEWARDSHIP

Building Fund Update: Donating for an Actual Rainy Day

We are planning a burn-the-mortgage celebration when our building loan becomes due, thanks in large part to a generous, anonymous donation. The Building Fund will continue in order to pay for facility needs. We literally need rainy day funds! We have experienced new leaks with each shower, however small. These are mainly flat-roof sections where the roofing has worn out. Please consider donating to the Building Fund as well as to our regular church coffers for this and other projects. You'll be glad when it will no longer rain on our parade...or the acoustical ceiling tiles. Thank you!

Breeze for Contributions

With our new church software come some changes in our contribution recording. If you are splitting your donation between funds, please state that in the memo line of your check or note it in the memo in PayPal. All unmarked funds will be placed in the Operating Fund Account.

DEANERY, DIOCESE, AND BEYOND

Clergy Conference "Exile, Return, Renewal" April 30-May 2

The clergy will be in Riverside for the "Exile, Return, Renewal: How shall we sing the Lord's song in a strange land" Spring Clergy Conference for the Episcopal Diocese of Los Angeles from May 2-4, 2022. Program includes the unique ways our Anglican tradition provides resources for us in uncertain times,

a consideration of exile using Psalm 137, and the formative power of our rituals as we renegotiate our familiar spaces and liturgies.

Holy Week and Easter Day: What did you like best?

Did you attend one of the Holy Week or Easter services online or in-person at St. Mark's, or at one of the Deanery 6 congregations or at another church, for example the National Cathedral? Please share where and how you attended. What struck you about the building, liturgy, hospitality, clergy, music, atmosphere, vestments, parking, decorations, signage? What else caught your attention? What was the best thing about the service? (You get extra credit if you have a worship bulletin signed by the clergy.)

From Joan Watson:

The idea of bringing churches together for Holy Week was brilliant. I had a wonderful time visiting and making new friends. Maundy Thursday at St. Ambrose (Claremont) was the most emotional service I have been to. We started in the Parish Hall with a simple supper. The clergy were seated at a long table so everyone could see them, and they read most of the readings and prayers. For Eucharist each table was given a small tray with a cruet of wine and a piece of bread, each person poured their own wine and tore off a piece of bread. We proceeded into the sanctuary where the washing of feet took place. As darkness fell over the sanctuary the organist played Samuel Barber's Adagio and people dressed in black were wandering around the church, it was extremely moving. A wonderful service. Good Friday at St. Paul's (Pomona) was another first for me. The Great Entry and Solemn Procession of The Burial Shroud of Christ was extremely poignant. The sounding of the Shofar was wonderful. After placing flowers and venerating the Holy Burial Icon we then went forward and received individual absolution. The Great Vigil of Easter at Christ Church (Ontario) was a perfect setting in Rebecca's Garden. The acting out of the readings was very nicely done. It was a glorious setting in the church, with music and lighting of all the candles. All in all, I thoroughly enjoyed the last three days of Holy Week and going to different churches I felt I learned a lot, listened more intensely, and left feeling spiritually invigorated.
