Page Turners: Reflections on the Book and Discussion Caste by Isabel Wilkerson

"Reading *Caste* by Isabel Wilkerson taught me that the oppression of people of color was a deliberate economic decision that was made long before we became a nation, that this oppression continued in varied and vicious forms well beyond slavery into the 20th century, and that those of us in the dominant white caste continue to benefit economically from the variety of ways in which our institutions continue to put barriers to progression by people of color."

"This book and the discussion group has shown me how much work I still need to do to become the Ally I wish to become."

"I am beginning to see each person as an individual and not as a member of some group - one of them."

"I am learning to be more careful about unintentional microaggression comments."

"I am seeing how white supremacy creates systems that explain away chattel slavery and genocide."

"One way to dismantle the caste system is through 'radical empathy' and to start listening to other people's stories."

An Invitation to Further Reflection: A Sermon Appraisal

"An effective sermon offers one clear message of good news authentic to the preacher relevant to the audience holding attention and inviting transformation." from Backstory Preaching Please consider completing a sermon appraisal here:

ANNOUNCEMENTS

Planning for Worship

Many thanks to all who are working so hard on making worship happen. St. Mark's has never stopped corporate worship. We went from in-person to in-spirit without missing a Sunday. Readers, musicians, and singers became recording artists. And Julia Warren is leading a team of engineers from the control room in the choir loft to keep everything flowing smoothly and safely.

As we plan for a slow re-entry, please keep the following in mind.

- The goal is a safe in-person in church worship service that simultaneously includes the in-spirit congregation in a meaningful way.
- Because everyone is not vaccinated, all will wear a mask covering their nose and mouth.
- Stay home if you are not feeling well.
- Maintain safe physical distance.
- We will learn as we go. We will make mistakes. We will move forward. We may also take some steps backwards.
- We will be flexible. We will need to find new ways to do old things. We will be doing new things. We may not be doing everything we used to do.
- **Around Deanery 6 and Beyond**
Jose Luis Garcia will be ordained a deacon June 12, 2021. If you would like to send him some affirmations (aka palanca) please get them to me at the office by Tuesday, June 8.
- There will be a VBS hosted by Holy Trinity Covina in late July. Check their website for more information.
- The Rev. Liz McQuitty will be Installed as Vicar of St. John's LaVerne on October 23, 2021
- Versed is coming back. Check the diocesan website for more information.

URGENT - SEEKING PROJECT MANAGER

The Vestry and Rector see the benefits of Live Streaming our worship service as a vital part of St. Marks' resurrection. The desire is to invest in a permanent, professional live streaming set up in our Sanctuary. We are looking for someone to project manage this endeavor which would involve working with consultants to specify needed equipment, getting quotations to present to the Vestry, and overseeing the project through completion. If you are interested, please email social-media@stmarks-upland.org to learn more.

"In Person" Worship Returns to Taizé, Wednesdays at 7:30pm! Masks Required!

Please join us in the Sanctuary or live streamed on Facebook and YouTube. After a hiatus of over a year, Covid-19 restrictions have improved enough for us to resume our Taizé services in the church. We will have 2 hosts at the door to give you a program and guide you to your seat (we will continue to social distance). The hosts will also request that you complete a brief Covid-19 assessment form to confirm that you have not recently had the virus or any symptoms prior to admission. Hope to see you there or online.

Ordination to Transitional Diaconate

Great news! Our former seminarian Jose Luis Garcia will be ordained to the transitional diaconate on Saturday, June 12. We were blessed with his presence assisting during church services as well as giving sermons. We can support Jose Luis by writing notes or letters of affirmation, support and encouragement. A basket has been placed in the narthex along with blank note cards for you to use to write your personal message to him. You can access the narthex during office hours or when you are on campus for your particular ministry (ex. hand bells, altar guild). If you can't make it to church, please mail your letter/note to the church - attention: Jose Luis Garcia. All letters must be received by Monday June 7. **We are not asking for monetary contributions at this time.** Later this year, in the Fall, when Jose Luis will be ordained as a Priest, we will be collecting money to purchase a Priest's Stole for him and to offer a monetary gift as well.
