St. Mark's Episcopal Church: A Community of Grace

We spread God's word, love like Jesus, enjoy worshipping together, and help our neighbors.

Because St. Mark's cares for the young, elderly, and immuno-compromised, because vaccinations are essential to creating a safer/healthier workplace and worship space, because our health and strength are intertwined with one another, and because health is not an individual endeavor, those 12 years and up show proof of vaccination and those ages 2 years and up wear masks for in-the-building services. Masks may be taken off at the pulpit, altar, or presider chairs when reading - not singing. We have disposable face masks for your use. We are respectful of those around us and adjust for healthy spaces between households. Direct physical contact with young children is avoided; elbow bumps are fine, but no hugs or handshakes. Please consider getting a booster and social distancing. State and health officials allow churches to determine their own mask/vaccination policies. Thank you for your continued support.

FINANCE & STEWARDSHIP

Building Fund Update: Donating for an Actual Rainy Day

We are planning a burn-the-mortgage celebration when our building loan becomes due, thanks in large part to a generous, anonymous donation. The Building Fund will continue in order to pay for facility needs. We literally need rainy day funds! We have experienced new leaks with each shower, however small. These are mainly flat-roof sections where the roofing has worn out. Please consider donating to the Building Fund as well as to our regular church coffers for this and other projects. You'll be glad when it will no longer rain on our parade...or the acoustical ceiling tiles. Thank you!

Breeze for Contributions

With our new church software come some changes in our contribution recording. If you are splitting your donation between funds, please state that in the memo line of your check or note it in the memo in PayPal. All unmarked funds will be placed in the Operating Fund Account.

Program includes the unique ways our Anglican tradition provides resources for us in uncertain times, a consideration of exile using Psalm 137, and the formative power of our rituals as we renegotiate our familiar spaces and liturgies.
