Save gas and support the Foothill Family Shelter at the same time! The Sancta Sophia Daughters of the King are sponsoring a personal hygiene item drive for the Foothill Family Shelter. Place your donations in the Foothill Family Shelter drop off box in the Narthex between now and Sunday, June 12, and Daughters will collect all donations and deliver them to the shelter office. All donations are welcome, but items such as deodorant, shampoo, toothpaste and toothbrushes, soap, hand lotion, feminine hygiene products, disposable diapers in all sizes and baby wipes are especially needed right now.

Because We Love Our Neighbor: Health & Community Protocols for Worship
Presiding Bishop Michael Curry (on health and community measures) "We are committed to gathering in the safest and healthiest way possible. Love of neighbor is not simply a good

idea. It is a commandment of Jesus based on the teaching of Moses to always seek the good and the well-being of each other."

Because St. Mark's cares for the young, the elderly, and the immuno-compromised... because vaccinations are essential to creating a safer/healthier workplace and worship space... because our health and strength are intertwined with one another... and because health is not an individual endeavor... All those 12 years and up show proof of vaccination, and those ages 2 years and up wear masks for in-the-building services. Masks may be removed by readers at the pulpit, altar, or presider chairs (when reading but not singing). We make available disposable masks for any who need them. We are respectful of those around us and adjust for healthy spaces between households. Direct physical contact with young children is avoided; elbow bumps are fine, but no hugs or handshakes. Please consider getting a booster and social distancing. State and health officials allow churches to determine their own mask/vaccination policies. Thank you for your continued support.

Monthly Healing Ministry to resume June 12

The monthly healing ministry offered by the Sancta Sophia Daughters of the King will resume at the 10:00 AM service on Sunday, June 12, and continue on the second Sunday of each month. Weather permitting, Daughters will offer healing prayer in the Memorial Garden for any congregant with a request. Once Eucharist has been received, those wishing to receive healing prayer may enter the Memorial Garden through either the north or south exit doors from the west side of the church, returning to the sanctuary through those same doors once prayer is received. In the event of inclement weather, the ministry will take place in the rector's office, which is accessible from the Garden.

Nicene Creed: "And the Son"

"And the Son" (Latin: *filioque*) These words were added to the Nicene Creed at the Council of Toledo in 589 and gradually grew in acceptance in the west. The filioque states that the Holy Spirit proceeds not only from the Father, but from the Father and the Son. The Eastern Orthodox churches condemn the addition as contrary to the admonition of the Council of Chalcedon (451) that no change be made in the faith expressed in the Nicene Creed. Disagreement over the filioque was a major cause of conflict between the eastern and western churches. The Lambeth Conference of 1988 recommended that the phrase be dropped from the Nicene Creed in Anglican churches. The 1994 General Convention of the Episcopal Church resolved to delete the filioque from the Nicene Creed in the next edition of the Prayer Book.

Offertory Plates

For your convenience, the offertory plates are located by the baptismal font as you enter and also by the front pews as you approach the altar for communion.
