Unvaccinated persons and those immunocompromised are especially encouraged to wear masks indoors - particularly when in a small room with minimal air circulation.

**Support Foothill Family Shelter Thanksgiving baskets donation**

The Daughters of the King are coordinating St. Mark's donations to Thanksgiving baskets for families in the Foothill Family Shelter program as well as needed families through our region. Last year area churches and civic organizations provided enough baskets to serve over 1,000 families. The need is even greater this year. The needed items are listed in the attached flier. You can help by:

- Bringing your completed basket to the narthex or church office by Sunday, November 6, and the Daughters will transport it to the FFS office for you.
- Bringing items on the list and leaving them in the baskets in the narthex set aside for FFS collections. The Daughters will use these items to make baskets and will furnish missing items so that all baskets are complete and will transport them to the FFS office.

- Donating \$25 grocery gift cards for the purchase of a turkey. For security, enclose these in an envelope marked FFS Thanksgiving and put them in the offering plate.
- Donating money to the drive by writing a check made out to St. Mark's Episcopal Church and writing FFS Thanksgiving in the memo line. \$45 will buy a complete basket, but all donations will help. St. Mark's will send one check to FFS by November 9.

If you prefer to mail your check directly to the office or take your completed basket to the office, the instructions for doing so are on the flier. Thank you for your help!

### **Rummage Drive Update**

We have passed the 1/3 mark in our fund drive for a new refrigerator/freezer in the church kitchen. Our current total is 100 bags and 40 boxes. A BIG THANK YOU FOR ALL OF YOU WHO ARE CONTRIBUTING . We still need 200 more bags and 25 boxes within the next 7 weeks.

### **Rummage Fundrive Update on Rules**

Let's remember that the purpose of this fundraiser is to raise enough money to buy a new refrigerator/freezer for the kitchen. The Company rules are:

1. Use the TALL white kitchen plastic bags only for clothing and household textiles items, NOT the black garbage bags.
2. For the small household goods, use medium boxes that can be closed.
3. Detail items list is on the Fundrive flyer located in the Narthex and Parish Hall.

4. Please also remember that clothing has to be clean and still wearable. Please DO NOT drop off items that smell, are torn, and dirty. Also, no undergarments.

5. The company will NOT accept any LARGE items such as chairs, couches etc. The items must be able to fit in the containers listed in lines one and two.

Working together and following the company rules, I know we will meet our goal.

We are in the midst of the summer season when donations typically dip but expenses do not! Please prayerfully consider your donations to St. Mark's. We need your pledges and donations! We will be distributing and mailing contribution statements this week. Contributors can also check their donation history at any time in Breeze.

# GIVING FROM *Your IRA*

## MAY *SAVE* YOU MONEY!

If you have an **Individual Retirement Account (IRA)** and are age seventy (or getting close), you should know about a way you can give to your local church that will strengthen the church's ministry and produce tax savings for you! Here are some important facts you should know.

### 1. **INDIVIDUAL RETIREMENT ACCOUNTS HAVE COME OF AGE (MIDDLE-AGE).**

IRAs have been around since 1974, though in the beginning, they were only for folks who didn't have any other pension coverage. A bill in 1981 made all workers and their spouses eligible for these accounts. That's a solid forty-plus years that people have been putting money away without having to pay federal taxes on it. (That part is important.)

### 2. **YOU CAN'T TAKE IT WITH YOU OR LEAVE YOUR MONEY THERE FOREVER.**

The understanding was that those folks could access that money without a penalty as early as when they turned fifty-nine and a half, but when they reached seventy and a half, they were required to start taking at least a minimum amount out each year—“**required minimum distributions**” or **RMDs**. At the outset of the coronavirus pandemic, the age for these RMDs was raised to seventy-two. Since participants didn't pay tax on the money when they put it in their IRAs, they are required to pay tax on it when money comes out. **RMDs can push some people into a higher tax bracket.** That can be avoided...

### 3. **GIVE IT TO THE CHURCH; AVOID PAYING THE TAXES.**

In 2006, pension protection legislation allowed for tax-free use of RMDs for charitable contributions, saving the tax that people would have had to pay when they took this money out of their IRA accounts. These are called “**qualified charitable distributions**” or **QCDs**. Here's an important distinction: these are **NOT** tax deductions. They do not provide a charitable deduction regardless of whether you itemize deductions. The tax benefit is

the ability to exclude the donated distribution from taxable income! Here's an example: If you were planning to give \$1000 per month to your church, you don't qualify for more than the standard deduction amount, and you are at the 12% tax bracket—giving that amount from your IRA (as a QCD) will save you \$1440 in taxes! If you are in the 22% tax bracket, the savings will be \$2640!

#### **4. FROM IRA TO “MY UMC”—NEVER IN MY POCKET!**

With a qualified charitable distribution (QCD), a check goes directly from your IRA to your church or the charity you select. Many people who are facing RMDs that will have tax implications could pay all their annual tithe or offering at one time, hopefully early in the year, through their QCD and never have to show it as income.

#### **5. YOU DON'T HAVE TO WAIT FOR 72 TO DO THE QCD!**

While Congress recently raised the age for RMDs to seventy-two, QCDs can happen for anyone who has reached the age of seventy and a half. Retirees who are over that age and want to continue to be generous to their local church should consider a qualified charitable distribution.

#### **6. MOST TAXPAYERS NO LONGER GET A TAX BREAK FOR CHARITABLE GIVING.**

The Tax Cuts and Jobs Act that went into effect in 2019 and 2020 included an increase in the standard deduction—it nearly doubled. That standard deduction is the threshold that your itemized deductions have to exceed to make itemizing worthwhile. It left many people better off, but with 90% of taxpayers taking the standard deduction (which does not require any evidence of charitable giving), it eliminated a tax-incentive regarding charitable donations for most of us (not to say that this is the main reason people give to the church). Inviting retirees in the seventy-plus group (who use the standard deduction) to consider using the qualifying charitable distribution may reduce or eliminate the tax that they might have to pay on RMDs. Yet many will not know of this option unless your church makes the invitation!

We encourage everyone to discuss this with a financial planner, tax consultant, or attorney—and be sure to let your family know! It could be a savings for you and a blessing to your local church!

YEAR-END IS A

# Time for Giving

## CASH GIFTS

A cash gift in any amount is a convenient and popular way to show your faithful support for the church or other ministries. If you itemize, the full amount of your gift qualifies for a 2022 charitable income tax deduction. Make certain check is dated 2022 and received or postmarked no later than December 31, 2022, to receive a deduction this year.

## GIVING APPRECIATED PROPERTY

If you own investments that have increased in value (stocks, bonds, real estate, or mutual funds), you can donate them to a church or charity and take a charitable income tax deduction for the full fair market value and avoid declaring the capital gain of the assets as income. Many people consider this the equivalent of a “double deduction.”

SALE & GIFT		DIRECT GIFT	
Stock with Fair Market Value (Cost Basis \$200)	\$1000	Stock with Fair Market Value (Cost Basis \$200)	\$1000
Taxable Gain on Sale	\$800	Taxable Gain on Sale	\$0
Capital Gain Tax at 15%	\$120	Capital Gain Tax at 15%	\$0
Net Sales after Tax	\$880	Net Gift to Charity	\$1000
Charitable Tax Deduction	\$880	Charitable Tax Deduction	\$1000
Tax Savings at 22%	\$193	Tax Savings at 22%	\$220

Notice how the Direct Gift option can result in the church or charity receiving \$120 more while costing you \$27 less! To receive this special tax treatment, you must have owned the property for at least one year.

## GIVING & RETAINING INCOME FOR LIFE

Did you know you can give to a charity while retaining income from the gift for the rest of your life? A charitable gift annuity or charitable remainder trust enables you to receive flexible or guaranteed income. Plus, there are significant tax advantages. Let's assume you are 70 years old, single, and wish to make a \$10,000 gift to the church when you are gone but need to receive income until then. You can make the gift now and receive several attractive benefits. First, you could receive income that exceeds what you are currently earning on the \$10,000. At age 70 with an annuity rate of 4.7%\* of the \$10,000 each year through a gift annuity (\$470)—greater than most bonds or C.D.s. Next, a portion of the \$470 annual annuity may be tax-free over your life expectancy.

Finally, you could receive a 2022 charitable income tax deduction for the remainder portion of your gift. This deduction can save you a sizable amount in federal income taxes. Making a life-income gift now offers all these advantages and provides the satisfaction of knowing you have helped your church or charitable organization in a significant way. **The United Methodist Foundation that serves your conference can help you with these types of gifts.** Visit [www.naumf.org/locations](http://www.naumf.org/locations) to find contact information for your UM Foundation.

## GIVING UNNEEDED LIFE INSURANCE

Do you own an old life insurance policy that is no longer needed? Perhaps the purpose for the policy no longer exists (your children are grown, or your mortgage is paid off) or your financial situation has changed and mitigates the need for the insurance. Consider giving the policy to the church or a charity and receive a charitable income tax deduction for the lesser of your cost basis or the replacement value.

This is a great way to benefit a cause you support without reducing your checking account. If the value is more than you wish to donate, consider cashing in the policy and giving a lesser portion. Your gift may sufficiently reduce or eliminate any potential taxes due from the sale.

## MEMORIAL GIFTS

As you think of those special persons (a teacher, pastor, relative or other loved one) who have touched your life, you may want to do something “just right” to demonstrate that they are remembered. A memorial tribute can be a satisfying way to salute those whose memories continue to enrich our lives.

## WISE TAX PLANNING

Making extra gifts or accelerating future gifts into the 2022 tax year can enable an itemized income tax deduction. The standard deduction threshold for 2022 is \$25,900 for joint filers, \$19,400 for heads of households and \$12,950 for singles (\$1,750/person 65+, \$2,800 if joint return, \$1,750 if unmarried). If your total deductions are less than those amounts, you won’t be able to deduct any charitable gifts. An extra year-end gift may add just enough to allow you to take advantage of your full itemized deduction. Many tax-wise donors accelerate contributions for the coming year to enable itemization at least every other year.

## EXPRESSING YOUR FAITH

Year-end is also the Christmas season. For many Christians this is an occasion to give in gratitude for God’s greatest gift to us, Jesus Christ. In all our giving, let us never forget these familiar words, “*For God so loved the world that he gave his only son...*” Why not make a special effort to honor Him in your giving this Christmas season—perhaps the most important gift you give? May God bless you as you make this expression of your faith.
