Honeycrest Groundbreaking

Honeycrest will bring 59 affordable apartment homes for seniors to the campus of St. Ambrose Episcopal Church. The Craftsman-style, three-story community will feature one- and two-bedroom apartments for seniors earning less than 70% of the area median income, including 29 homes reserved for seniors who have grappled with homelessness.

Amenities will include a spacious community room, computer nook, outdoor lounges with barbecue stations, fenced pet areas and covered porches.

Hope through Housing Foundation and Tri-City Mental Health Authority will provide services to help residents maintain housing stability, build connections and thrive.
