Welcome the Rev. Canon Judith A. Heffron

Mother Judy, currently Assisting Priest at St. Luke's, Monrovia, retired from her position as Rector of Holy Trinity, Covina, in January, 2013, after 20 years of ministry in that parish. From June, 2004, to the date of her retirement, Mother Judy served as dean of Deanery Six. On most Sundays during the summer months, she fills in for active clergy while they take their vacations. It is with real delight that she returns to St. Mark's, Upland, where she has supplied on many previous occasions. "It is a joy to see friends I have known for many years, as well as meeting new ones." Mother Judy was married to her late husband, Patrick, for forty years. They have one son, Sean, who resides in West Virginia. Mother Judy lives in La Verne with her Golden Retriever, two cats, a desert tortoise and a backyard filled with humming birds.

New COVID Protocols for Sunday Worship: Vaccinated, wearing masks, social distancing

Updated Mask Protocol for St. Mark's (July 18, 2021) Per the advice of Dr. Jim Brown...

Because fully vaccinated people can transmit/spread the COVID Delta variant to others, it is recommended that unvaccinated individuals participate in church online/inspirit or sit in the northern pews with masks and social distancing.

It is respectfully requested that parishioners continue to wear a mask even if fully vaccinated when attending church in-person until further notice.

Social distancing: The north side of the church is reserved for those who wish to maintain social distance seating for whatever reason. No judgement given or reasons needed. Please know that this arrangement is only temporary. If this arrangement results in people not being able to sit in their "usual" seats, we will appreciate everyone's patience and flexibility.

Sharing the Peace: During worship, everyone's space and sensitivities should be respected. If someone offers their elbow, fist, or a peace sign, please respond appropriately. Do NOT assume physical affection. The peace of Christ is offered and given with enthusiastic consent.

A Note about children: Children under age 12 cannot yet be vaccinated, all direct physical contact with young children should be avoided; elbow bumps are fine, but no hugs or handshakes.

Restrooms: Out of respect to those who are not able to receive the vaccination and in order to maintain physical distancing in the restrooms, we ask that only one person or household use the restroom at a time.

Hospitality: We offer a limited in-person coffee hour in the Parish Hall. To reduce multiple handling of shared objects such as the coffee urn, hot water dispenser, and serving utensils, please let the hospitality host serve you.

Enhancing In-Spirit Worship

To enhance the in-spirit Sunday worship experience, please download the Sunday bulletin which has the words of the creeds, the prayers of the people, the confession, and most of the prayers. Also, hymnals for home use are available for take home or delivery. Please let us know if you would like one. Thank you for your feedback.

SPIRITUAL GROWTH & FELLOWSHIP

New Vision and Mission Statements being crafted now!

Exactly who are we at St. Mark's and what do we do? The vestry has formed a committee to answer these questions and write new VISION and MISSION statements for our church. We have started, but we will soon be asking for your help. Having a clear vision and well-defined mission helps us make good decisions and take the right actions for the future of St. Mark's. We need to be open to new directions, new possibilities, and new life for our Parish. Help us think about it: The Vision Statement describes the ideal church we want to be. The Mission Statement describes what we want to do with the gifts that we have as a parish. Watch for more details soon.
