WORSHIP

November In-Person Worship: Watch This Space

Many thanks to the hard work of the Worship committee and the Readiness Planning Taskforce for our first in-person worship on October 31. We learned much about how celebrate the Holy Eucharist together in a safe and dignified manner – including registration, check-in, set-up, communion and safe-distancing (please continue to stay at least six feet apart). Please be aware that because of the organization needed to conduct a safe service outdoors, we may not be able to have a mid-week service (in particular, Wednesday, November 24, our traditional service before Thanksgiving Day). We may need to move the November in-person worship service to a Saturday – perhaps, November 28. The exact date will be confirmed at the upcoming Worship committee meeting.

SATURDAY AND SUNDAY, NOVEMBER 14 & 15, 2020 - Diocesan Convention 2020

Join us for the 125th Annual Meeting of Convention of the Diocese of Los Angeles: Servants of the Spirit on Saturday and Sunday, November 14 and 15. Convention 2020 will be an historic first for the Diocese of Los Angeles, a virtual meeting hosted as a Zoom Webinar. You can access the Virtual Exhibit Hall and other Diocesan Convention information at: www.diocesanconvention.org. We will conduct the business of convention on Saturday and then conclude Sunday morning with a Diocesan-wide Eucharist, celebrated by our Bishop Diocesan, the Rt. Rev. John Harvey Taylor. Visitors and delegates are invited to watch the convention livestream on [Facebook](#) and [YouTube](#). Spanish language translation and real-time closed captioning will be provided.

Watch Last Sunday's Service on YouTube: <https://youtu.be/IVIFscLVQ1I>

Please subscribe to the St. Mark's YouTube page so that we can have access to more editing tools from YouTube. We need 100 subscribers! Many thanks to Landon Abernathy who posts and adds the time markers and credits. Thank you!

The Lord's Prayer: A New In-Spirit Minister: Andrea Griffin

Andrea Griffin is the newest member of the in-spirit worship team. Andrea will be coordinating the in-spirit presentation of the Lord's Prayer. The Lord's Prayer is the one prayer in every Episcopal service. It is a prayer that is both personal and universal. It can be presented in many different meaningful ways, forms, and languages. Andrea will be our ambassador and invite individual and groups, members and non-members, Episcopalians, and Christians to present the Lord's Prayer. Because it is a prayer that we all know in our very soul, no rehearsal or preparation is needed. Anyone can pray it. As long as the prayer is presented with authenticity and integrity. Please support her work by encouraging your church ministry to offer the Lord's Prayer if they have not already done so; by inviting your other zoom groups to offer the Lord's Prayer; and finally, by not criticizing how others present the Lord's Prayer. Did you know that when more people are on camera, then the service gets shared more with others? Many thanks for your continued participation in our worship and ministries.

Celebrating Birthdays, Anniversaries and Other Life Hallmarks

Many thanks to Jana Garner who crafted our new visual celebration of monthly birthdays, anniversaries, and other life hallmarks like sobriety or first day of school. She was assisted by John Flasher who will be connecting with those celebrating registered celebrations the month prior. Because of our workflow, photos must be submitted by the 25th of the month before your celebration month. The visual celebration will be on the first Sunday of the month. Send to “[blessings@stmarks-upland.org](mailto: blessings@stmarks-upland.org).” This is totally voluntary. You do not need to participate. We will NOT automatically post your photo. Submitted photos MAY be included in an upcoming photo directory. Many thanks for their work in this new version of an old ministry. Thank you, John Flasher

We are Praying for You – The Daughters of the King

Please send your prayer requests to [prayer@stmarks-upland.org](mailto: prayer@stmarks-upland.org). Or contact the clergy or a member of the Daughters of the King who pray both daily individually and together every Sunday before the morning service.

Bishop's Curry's "Love is the Way": A 5-week Church-wide Book Study: 11/18&25; 12/2,9,&16

Bishop Curry offers an inspirational road map for living the way of love. Through the prism of his faith, ancestry, and personal journey, *Love is the Way* shows how America came this far and, more importantly, how it can go a whole lot farther. In the words of reviewer Jon Meacham, "Michael Curry draws on his own remarkable life to show us the way we might make our own lives, and the live of nations, warmer, better and nobler."

Beginning on **Wed, Nov 18** at 7 p.m., the online "Love is the Way" program will offer participants the opportunity to engage across geographical and congregational differences that challenge us and reflect on the love that binds us together; God's love and the reflection of that love in human lives. Sessions will continue on **Wednesdays, Nov. 25 and Dec. 2, 9 and 16**. Each session will include a reflection on a segment of the book followed by conversation in community using a listening and learning circle model.

November 9, 2020

Dear Saint Mark's Preschool parents,

Please be advised that on Friday, Nov. 7 one of our students has tested positive for COVID-19. It has been determined that the child contracted the virus from an individual outside of the school. The child will quarantine at home for the required 14 days and will be allowed to return to school when they test negative.

As soon as I was notified of the illness, I immediately reported the case to the Health Department and Community Care Licensing and asked for guidance. The Health Department has determined that the preschool may remain open because of our careful, daily cleaning and disinfecting policies.

Please monitor your child for the common COVID symptoms of fever, cough, nasal congestion, or runny nose. If your child is exhibiting any of these symptoms, you may want to have him/her tested.

There are no other children or staff members at our school that are showing signs of illness at this time. Please know that the health and safety of your child are extremely important to us and that we carefully follow all health and safety guidelines.

If you have any questions or concerns please call me, (909) 565-9285.

Sincerely,

Ms. Jackie
