## **WORSHIP**

### **Update on Music Director Search**

The search committee wishes to thank all those who participated in the seven listening forums held between July 24 and August 7. About 40 people attended (including committee members). Also, there were 51 responses to the emailed survey and another 10 handwritten forms returned, for a total of 61 respondents. A full report of the survey results and a summary of comments from the forums is yet to come. For now, please know that the search committee is actively working to digest all the input received from the congregation and to discern what type of music director will be a good fit for St. Mark's. The timeline agreed upon by the committee calls for us to begin

reviewing applicants in mid-September. We appreciate that this must be a thoughtful, prayerful process if we are to discern the best path forward for worship music at St. Mark's. In the meantime, we will continue to enjoy the talents of guest and in-house musicians as we praise God each week with music. Please reach out to any committee member with your ideas, concerns, suggestions, or questions to be conveyed to the whole committee. Thank you for your prayers and patient support of this process.

#### **Prayer Cross**

Jesus said, "Whoever does not carry the cross and follow me cannot be my disciple." The Easter Flowering Cross will be available to receive prayers. This tool for prayer echoes the Western Wall in the Holy Land where over 100,000 people visit daily. Prayer is responding to God, by thought and by deeds, with or without words. The prayer cross involves images, words, and the form of the cross to help focus our intention and prayers toward Jesus' way of love. Write or draw your prayers and roll and insert them in the openings or attach them with the provided clips. When more room is needed and when the prayer cross season is finished, prayers will be removed and reverently burned. They will not be read when collected, however, please be aware that these prayers are not confidential. Please feel free to experiment with the prayer cross as part of your weekly prayer practice.

#### **Offertory Plates**

For your convenience, the offertory plates are located by the baptismal font as you enter and by the front pews as you approach the altar for communion.

Fall Enrollment for St. Mark's Episcopal Preschool is open. Your continued support of the preschool and St. Mark's is appreciated.

## **FINANCE & STEWARDSHIP**

### **St. Mark's 2021 Audit Completed**

St. Mark's recently completed its church audit for 2021. A copy can be viewed in the parish hall next to the vestry minutes by the west wall. You can also view it on the St. Mark's website (About Us, Documents, Vestry Minutes. The last audit shows forgiveness of the 2020 PPP loan. The auditor recommended that St. Mark's update its inventory, but otherwise indicated that our financial management were done in accordance with generally recognized accounting principles. Regular audits are required for Episcopal parishes in our diocese.

### **Finances and Contribution Update**

St. Mark's church income was \$155,851.82 and expenses were \$253,475.28, for a deficit of \$97,623.46 for the period of January 1 through July 31, 2022. We had a cushion at the beginning of the year due to our 2021 PPP loan and are working to reduce expenses. The building fund received donations of \$13,075, not including a previous anonymous donation that helped us to pay off the building loan in June. We are in the midst of the summer season when donations typically dip but expenses do not! Please prayerfully consider your donations to St. Mark's. We need your pledges and donations! We will be distributing and mailing contribution statements this week. Contributors can also check their donation history at any time in Breeze.

### **Your Generous Contributions are Appreciated**

Thank you for keeping current with your pledge or donating to St. Mark's. Please send in your contribution to St. Mark's Episcopal Church, 330 E. 16th Street, Upland, CA 91784. Alternatively, you may wish to set up automatic "bill pay" or "online banking" through your financial institution. You may also make your donation through [PayPal](#), donations are being accepted through our email address, [contributions@stmarks-upland.org](mailto:contributions@stmarks-upland.org). Please consider remembering Saint Mark's in your estate planning.

### **Breeze for Contributions**

With our new church software come some changes in our contribution recording. If you are splitting your donation between funds, please state that in the memo line of your check or note it in the memo in PayPal. All unmarked funds will be placed in the Operating Fund Account.

### **Keeping Cool**

Because the HVAC units work together to cool the room, the "mode" function of the thermostats all need to be the same: on, off, or program. Please do not try to cool down the parish hall "just a little" by turning on just one unit – because then that one unit will burn out trying to cool the whole parish hall.

During church events, please be sure that all the thermostats in the parish hall (4) and/or sanctuary (6) are either all "On" or "Program." At the end of the event, all the thermostats should all be "Off" or "Program."

The preferred mode/setting is "Program." The sanctuary thermostats are programmed to kick on at 6am when the temperature is above 74F and to shut off at 11:30am on Sundays. The parish hall thermostats are programmed to kick on at 9am when the temperature is above 74F and shut off at noon.

Tl;dr: At the end of a church event no thermostat should be left "On."

This practice will keep us comfortable and make us good stewards of generous gifts.
