

# COVID-19 RESPONSE

## QUICKLY HELPING YOU ADDRESS UNEXPECTED SITUATIONS

When unexpected situations occur, an immediate response is critical. The Sunbelt Rentals team offers the proper equipment, expert personnel, and accessibility to act in a moment's notice, nationwide.

### TEMPORARY LIGHTING & SURVEILLANCE

Temporary and portable lighting is available for indoor and outdoor use. We also offer site service rentals to deter, detect, and defend potential security threats.

### AIR QUALITY / PURIFICATION

Whether you need an air scrubber to remove harmful particulates from the air, or you need to create a negative pressure in your work space, we have the equipment to get the job done.

### AIR CONDITIONING & HEATING

Temporary, portable, supplemental, large scale, and emergency cooling, heating, and dehumidification equipment when and where you need it. We can provide portable and industrial air conditioners and heaters in any size and any quantity.

### MATERIAL HANDLING

Our portable material lifts, forklifts, hand trucks and dollies, and other material handling equipment is meant to help you safely and easily move and manage material in any environment.

### FLOOR CARE / SURFACE SANITATION

Offering a broad spectrum of flooring equipment from walk-behind and ride-on floor sweepers and scrubbers to a complete line of carpet and multi-surface cleaners. Our products can help keep your facility clean when paired with proper disinfectant or cleaning solutions.

### POWER GENERATION & DISTRIBUTION

We provide a full-range of generators and power distribution equipment to support outages and temporary applications of any size, in any market, nationwide.

### TEMPORARY FLOORING

From light-duty/pedestrian temporary flooring to heavy-duty site access, our team can support any of your temporary flooring or temporary roadway application needs.

### BARRICADES & TRAFFIC CONTROL SIGNS

Traffic control sign rentals are available in various sizes to support your specific projects. Our traffic safety specialists are also available to develop MOT plans for your individual needs.

### OFFERING TURNKEY RENTAL SOLUTIONS

-  Our national footprint allows us to quickly deliver equipment when and where you need it
-  24-hour, 7-day-a-week support and emergency service
