

# COVID-19:

## It's Here to Stay

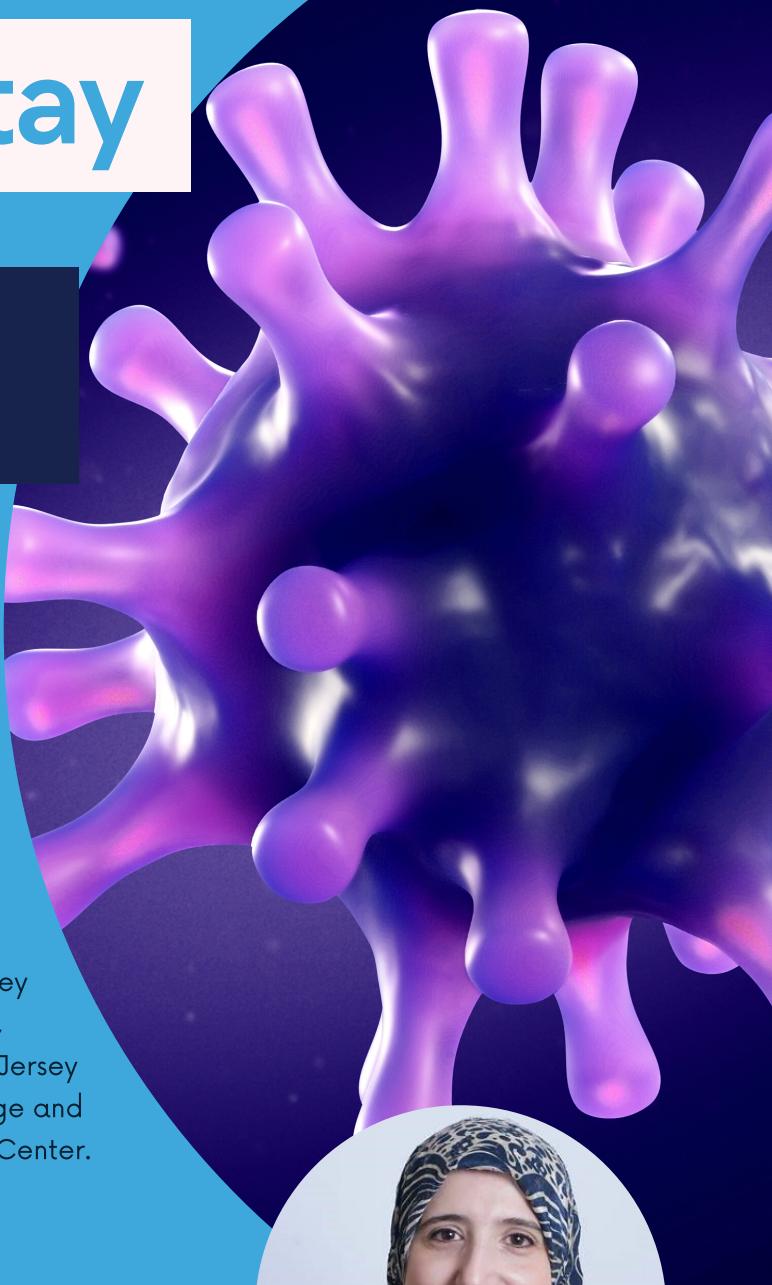

**FRIDAY, APRIL 22**  
**12:00 PM - 1:00 PM**

The study of how diseases spread, and why, has loomed large in the struggle to understand, contain and respond to COVID-19. In this session attendees will learn about Delta, Omicron, and the changing epidemiology of COVID-19!

**David Goldberg, MD**

David Goldberg, MD is a pediatric infectious disease specialist in Paterson, New Jersey affiliated with several hospitals, including Veterans Affairs New Jersey Health Care System-East Orange and St. Joseph's University Medical Center.

**Nagla Bayoumi DrPH, MPH**

**Special Data Presentation:
