

# Type 1 Diabetes in Children

Continuing Education for Nurses & Pharmacists by Camp Nejedá

American Academy of Pediatrics  
DEDICATED TO THE HEALTH OF ALL CHILDREN®  
New Jersey Chapter CORPORATE MEMBER

**Camp Nejedá** has been providing empowering summer camp and other programs for children with type one diabetes and their families for over 50 years. In an effort to enhance the lives of people with type one diabetes and their families through education, empowerment, camaraderie, supportive programs, and fun, they are offering a VIRTUAL seminar on Type 1 Diabetes in Children for nurse and pharmacist continuing education credits.

## Collaboration to Help Children Reach their Full Potential

### Type 1 Diabetes in Children Seminar

**Date:** Saturday October 17, 2020

**Time:** 9AM-3PM

**Contact Hours:** 4.5 hours

**Cost:** \$90

**Location:** Zoom link sent after registration

**Description:** The Camp Nejedá Foundation is pleased to offer Type 1 Diabetes in Children an educational seminar for RNs, CDEs, Pharmacists and Dieticians. The lecture style seminar reviews the basics of type 1 diabetes in children and provides an update on more recent developments in diabetes-related technology.
