

SF Community Vigil to Mourn and Pray for the Victims of Christchurch Mosques Shootings

Wednesday, March 20, 2019

6:30-7:30pm, SF City Hall Steps (on Polk Street)

Open to ALL • Please Bring Candles to Share

Please Join Elected Officials, SF Human Rights Commission, SF Interfaith Council, Muslim Community, and Community Leaders as We Stand Together in Solidarity with our Muslim Sisters and Brothers in New Zealand and around the Globe against Islamophobia, Hate, Bigotry, and White Supremacy.

50 worshippers: children, youth, women, and men were massacred during the weekly Holy Jummah/ Friday prayers, just as the Pittsburgh killer attacked Jews at their synagogue, the Oak Creek killer targeted a Sikh Gurdwara, and the Charleston killer attacked an African American Church. These types of attacks are driven by racial, religious, and ethnic hatred and we have a responsibility to denounce them and come together to demonstrate our solidarity and resilience and reject the normalization of violence against the Muslim community.
