- be able to commit time outside of rehearsal to practice music/choreography
- learn and perform choreography while singing

## **Cost**

The fee for Show Choir for the entire year will be \$200.

This will cover travel costs, uniforms, a group t-shirt, and competition costs.

A uniform will be purchased annually. Each student will need to purchase the following items

### Ladies

Black leggings/jazz pants

Black character shoes (mary jane style)

### Guys

we will occasionally pair these with the show choir shirt or holiday sweaters for more specific performances. Shoes purchased for show choir can also be worn for the choir formal uniform.

Electives for next year

I understand that, if chosen for this group, I will attend all rehearsals and performances. If I find myself unable to attend a rehearsal, I understand that I am allowed to miss 2 rehearsals (only with parent communication at least 1 week in advance) before my membership in this group will come into question. Further, I promise to represent myself, Carroll Middle School Choir, Carroll ISD, and Southlake positively with my actions and words.
