

Dear Parents,

As part of our Veterans Day Celebration, CMS would like to pay tribute to all men and women related to a Carroll Middle School student who are serving or have served in any of our military forces. We would like to recognize them on a “Wall of Honor.” If you would like to include a picture, please feel free to do so.

Please fill out the information below and return the completed form to the CMS office by Monday, November 5th.

Thank you.
