MAKING HOLIDAY WISHES COME TRUE

Project Giving Tree

The most wonderful time of the year is just around the corner—and with it, Alternatives For Girls' **Project Giving Tree** brings the holiday season to life!

More than just a gift-giving program, **Project Giving Tree** offers families a moment of joy, connection, and hope during the holidays. With your support, we can make this season brighter for those who need it most.

Here's how you can help spread holiday cheer this year:

Sponsor a Family:
Receive a personalized wish list from a family served by AFG. Simply purchase new, unwrapped gifts and place them in festive gift bags. It's that easy to bring joy to someone's holiday.

Host a Holiday Donation Drive:
Gather your friends, coworkers, or community group to collect new, much-needed items to support families during the holiday season.

Give the Gift of Choice:

Gift cards or monetary donations allow families to purchase essentials or pick out their own holiday treats, something many of us take for granted.

If you would like to participate in Project Giving Tree, complete our Project Giving Tree Interest Form (accessible on our website) by **Friday, November 21, 2025.**
