Veni sancte spiritus, tui amoris ignem accende.
Veni sancte spiritus, veni sancte spiritus
*(Holy Spirit, come to us. Kindle in us the fire of
your love.)*

Come and fill our hearts with your peace,
You alone are holy.
Come and fill our hearts with your peace,
alleluia!

My spirit yearns for you in the night, O God.
I seek you, O Lord, with all my soul....

Nothing can trouble, nothing can frighten,
Those who seek God shall never go wanting.
Nothing can trouble, nothing can frighten,
God alone fills us.

O God, keep me safe, for I trust in you.
The pathway to life you teach me.
In you there's joy and life in all fullness.
Poem, silent meditation

Laudate omnes gentes, laudate Dominum.
Laudate omnes gentes, laudate Dominum.
(Sing praises, all you people. Sing praises God.)

Peace I leave you, peace I give. Let your heart
be free from fear, peace I give to you.

In manus tuas, Pater, commendo spiritum
meum.... *(Into your hands, O Father, I now
commend my spirit)*

All shall be well, all shall be well, all manner of
thing shall be well. (text: Julian of Norwich;
melody: Kayleen Asbo)

Da pacem, Domine, da pacem, O Christe, in
diebus nostris.
(Grant us peace, O God, all the days of our life.)
