Tamara Stoilković, Milica Ivanović, Maja Sekulić
12. Importance and use of the *NOVEL* coronavirus (2019-NCoV) method in detection of SARS-CoV-2
Jovana Ivanović, Hristina Gospodinović, Danica Kalinić, Maja Čabrilo, Milica Ivanović, Nataša Simić, Edita Grego
13. Citizens’ knowledge and attitudes on vaccination against COVID-19 disease
Larisa Vujnović, Sofija Jovanović, Biljana Kilibarda
14. COVID-19 pandemic and chronic Philadelphia negative myeloproliferative neoplasms
Nataša Čolović, Jelena Ljubičić, Mirjana Gotić

II INTERNATIONAL HEALTH REGULATION – IMPLEMENTATION AND PRACTICE

1. Risk communication during COVID-19 pandemic
Biljana Kilibarda, Sofija Jovanović, Jelena Gudelj Rakić, Milena Vasić

III FREE TOPICS

1. Rate of Serbian babies subjected to preventive examination and ultrasound examination of hips in primary healthcare centres in Serbia in the period 2019–2021
Danijela Đukić, Sanja Savković, Dragan Babić
2. Promotion activities of the “European cervical cancer prevention week” before and during the COVID-19 pandemic
Katarina Boričić
3. Mental health — a public health priority
Sofija Jovanović, Nevena Milošević
4. Sexual behaviors and sexual health among the population
Dragomir Jovanović, Maja Zdravkovski, Nevena Milošević
5. Increase in potassium permanganate consumption during disinfection of pool thermal mineral sulfur water using hydrogen-peroxide and silver-nitrate
Marijana Srećković, Igor Dragičević, Snežana Panić, Biljana Kalenić, Zorica Kojić, Branko M. Vujković
6. Medical interventions during activities in nature and sports camps

Miloš Maletić, Vladimir Miletić, Željko Rajković, Stefan Mandić-Rajčević

7. Changes in the body composition of students during their stay at sports camps
Miloš Maletić, Vladimir Miletić, Željko Rajković, Stefan Mandić-Rajčević
8. User satisfaction with the specialist medical consultation service in Belgrade in 2021
Verica Počuča, Mladen Babić, Anđelija Nešković
9. Medical deserts and their identification in the Republic of Serbia
Stefan Mandić-Rajčević, Milena Šantrić-Milićević
10. Sources of information and awareness of young people during the COVID-19 pandemic
Lazar Petrović, Maša Petrović, Aleksandra Jović-Vraneš, Aleksandar Stevanović, Stefan Mandić-Rajčević
11. The incidence rate of children aged 0 to 6 years and the use of children's primary health care service in the 2001-2020 period
Petar Đurić, Danijela Đukić, Dragica Bukumirić, Ana Vukša
12. Health educational work and COVID-19: Evaluation of education materials
Nemanja Stefanović, Anđelka Grujičić, Svetlana Mladenović Janković, Marija Marković, Nevenka Kovačević, Aleksandra Andrić, Gordana Tamburkovski, Dušanka Matijević
13. The impact of the COVID-19 pandemic on the process of implementation of health education work of healthcare institutions on the harmful effects of tobacco among students of the Mačvanski district in the period from 2018 to 2022
Željka Ninković, Marijana Srećković, Olivera Stojanović, Branko M. Vujković
14. User satisfaction with hospital healthcare in 2021 – overview of the major results
Olivera Ninković, Mirjana Živković-Šulović, Vesna Horozović, Danijela Đukić, Dragan Babić
15. Working motivation factors in employees in surgical wards in Niš
Sonja Novak, Maja Nikolić, Nebojša Đorđević
16. The association between depression and multimorbidity in the non-Albanian population in Kosovo and Metohia
Momčilo Mirković, Jovana Milošević, Slađana Đurić, Aleksandra Ilić, Danijela Ilić
17. The unmet healthcare needs of adult respondents in Serbian environments in Kosovo and Metohija
Jovana Milošević, Momčilo Mirković, Slađana Đurić, Danijela Ilić, Mirjana Pajčin Nenad Milošević, Aleksandra Ilić, Tamara Jovanović, Ana Antonijević
18. Intention of public medical workers to change job and related factors
Katica Tripković, Milena Šantrić-Milićević, Milena Vasić, Mirjana Živković-Šulović, Marina Odalović, Vesna Mijatović-Jovanović, Zoran Bukumirić
19. The frequency of tobacco consumption and attitudes of students of health sciences on tobacco use in Montenegro: a global survey of students of health sciences in Montenegro
Vilnerina Ramčilović
20. The changes of mortality pattern in a capital of Serbia in 2020

Nataša Rosić, Aleksandar Stevanović, Gordana Bjelobrk, Jovana Todorović, Milena Šantrić-Milićević
