

Custom Reusable Bottle Totes

Your brand printed on *your* choice of fabric, size and color

POLYPROPYLENE

Our most popular and cost-effective fabric, these 100% Recyclable, Non-Woven, Polypropylene Totes are made to order, with your full-color imprint. Choose from over 20 fabric colors, in 5 different sizes. To ensure strength and durability, we have selected 100gsm weight fabric, double-stitched the handles around the entire bag and put a cardboard insert in the base. Our totes are lead and phthalate-free and compliant with California Proposition 65. Water-resistant and easy to wipe clean, your customer will gladly use and reuse these totes with your brand at their fingertips.

FELT

Looking for a stylish way to transport your gift of wine and a great present for the recipient? These 100% Felt Totes take elegance and functionality to a whole new level. Available in a Handbag with Polyurethane Handles in 1 and 2-bottle sizes. Over 60 felt colors in stock, you will definitely find one that fits your brand, budget and target market.
