10:00am - 11:00am

You're Invited!

Please join Habitat for Humanity of Greater Los Angeles (Habitat LA) for a virtual Veterans Build event.

We will begin by hearing from a very special Veteran family whose home we are repairing in Los Angeles. Then, we will host a panel of experts who will discuss some of the challenges our veterans and military families are facing with regards to housing, employment and the transition to civilian life. The panel will also share a variety of resources and services that are available to support veteran and military families in greater Los Angeles.

Register at <https://bit.ly/2020VeteransBuild> for the link to join the event.

Sponsorship opportunities are still available.
