AWMI Minnesota Chapter *34th Annual Golf Event*

SPONSORSHIP PACKAGES

Dear Friend of AWM I,

The Minnesota Chapter board members of the Association of Women in the Metal Industries (AWMI) are excited to invite you to one of our favorite events, our **34th Annual Golf Event**. This year, we will golf on **July 10th, 2025**, at the prestigious **Prestwick Golf Club** in Woodbury, MN.

AWMI is an international organization comprised of women and men involved in all aspects of the metal industry. AWM I strives to provide our members with events that support our four cornerstones: **EDUCATE, NETWORK, MENTOR**, and **GROW**. We host many events throughout the year that provide educational speakers discussing relevant topics, and offer networking opportunities, all designed to benefit members in their personal and professional growth. All of this is possible through your support.

Many of Minnesota's local businesses have been very supportive through past donations and participation. We hope you can support us this year in any capacity that you and your organization are most comfortable. Whether you prefer to join us for a day of golf, volunteer your services on the day of the outing, provide prizes, or donate to one of our sponsorship opportunities, any contribution is appreciated. Please review the list of sponsorship packages available this year. If your company can contribute, please return the form on the last page of this document. In recognition of your generosity, your company will be recognized as denoted in the sponsorship package.

If you have any questions, please contact our President:
Brianna Butler at (866)655-9550 or brianna.butler@mcneilus.com.

Sincerely,

The Minnesota Chapter Board
