

Student Growth Groups Expectations

Presence

Most important: be here. Commit to show up.
We expect you to attend 70% or more
of group meetings each semester.

Preparation

Commit to being prepared when you show up.
We expect you to try to read as much of the weekly
plan as possible – start with the New Testament,
then add the Psalms and Old Testament as you can.

Participation

Commit to engaging in the life of your group.
We expect you to be an active listener, meaningfully
and sincerely engage with the group, and
appropriately hold what others share in confidence.
Encouragement and accountability best occur
where there is investment, trust, and vulnerability.

Read Scripture.
Be Community.
