Room 4

## Current Events

Hello Spring! Room 4 is ready for the warmer weather to enjoy more time outside!

We said see you later to Ava and Juliana in March who moved to Room 7. We welcomed Maya from Room 1. And in the next couple of weeks we will welcome Esme from Room 1.

We have been enjoying and exploring all of our friends and getting to know more

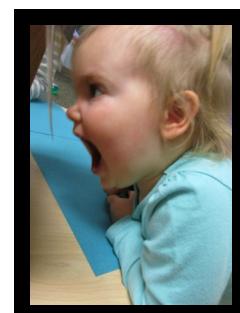

about them! We have had a chance to get to know Maia, Olivia, and Zaina! This month we will have the opportunity to learn more about Mack, Henry, and Iris.

Be on the look out for a All About Me sheet and poster board to take home and decorate!

During All about Zaina, we found out one of her favorite songs was called, "Baby Shark."

Here is the link to the song if you want to listen to it with your child!

Hope you enjoy watching your child dance as much as we do to this song.
