## Project Update

For the past few weeks Room 6 has been doing a lot of Dog activities with your child. We've been learning the types of foods that dogs should avoid eating such as chicken bones and chocolate. In addition, we have also been learning about the different types of foods dogs are able to eat such as, doggie treats, wet/dry dog food, and cheese. Moving into April we will be continuing our discussion about Dogs and what is needed to take care of them. We hope your child enjoys the upcoming weeks.
