

Room One

February

Miss. Paige
Miss. Taylor
Miss. Brittany

What are we doing?

We love
our new
friend
Jack!

Room 1 had such a fun January! Almost all of our children are moving around! We have some crawlers, some children walking with walkers, and some children walking independently! We had a full month of gross motor activity!

This month we are looking forward to experimenting with roll and foil paint with bright colors! In doing these art activities, we will be assessing your children's fine motor skills, communication skills and social emotional skills.

Along with some fun art activities, we are going to be putting a big emphasis on "gentle touches" and sharing with friends!

We love our
walker!

Objectives

Did you know?

- We have TWO more walkers!
- Micah turns ONE in February!
- We keep snacks like cheerios, crackers and puffs in our room?

Fine Motor Development

♥Uses fingers and hands to touch, grasp, and feel

Art

♥Explores the visual arts

Social Emotional

♥Establishes and maintains positive relationships
